Response to Amendment

The amendment received on September 17th 2004 in which claims 1-23 and claims 28-32 were amended is considered as non-responsive for the following reasons.

1. The reply filed on September 17, 2004 is not fully responsive to the prior Office Action because: the applicant presented newly amended claims (i.e., claims 1-23 and claims 28-32) after the prosecution was closed with the Quayle submitted on August 20th 2004. Since the period for reply set forth in the prior Office action has expired, this application will become abandoned unless applicant corrects the deficiency and obtains an extension of time under 37 CFR 1.136(a).

The date on which the petition under 37 CFR 1.136(a) and the appropriate extension fee have been filed is the date for purposes of determining the period of extension and the corresponding amount of the fee. In no case may an applicant reply outside the SIX (6) MONTH statutory period or obtain an extension for more than FIVE (5) MONTHS beyond the date for reply set forth in an Office action. A fully responsive reply must be timely filed to avoid abandonment of this application.
